Dear Mr. Patman:

Thank you for your letter of 5 August 1958 concerning
Mr. [redacted]

Mr. [redacted] wrote to us on 15 July 1958, forwarding
an Application for Federal Employment and expressing a
long-standing interest in employment with the Department
of State. We considered his application against our cur-
rent personnel requirements but did not locate an opening
which would accommodate his employment. He was advised to
this effect by letter dated 31 July 1958 with the suggestion
that he write directly to the Department of State concerning
employment opportunities in that organization.

Your expression of interest in Mr. [redacted] is appre-
ciated.

The Honorable Frances P. Bolton
House of Representatives
Washington 25, D. C.

Dear Mrs. Bolton:

Mr. [redacted] Thank you for your letter of 23 July 1958 concerning

We are attempting to build up a corps of career employees and, in keeping with this effort, ordinarily fill our needs for senior professional personnel by promotion of a career employee. We do have occasional requirements for specialists or senior professionals which are filled by external recruitment but these openings require particular and, frequently, unique qualifications related to a specific vacancy.

A second factor limiting our interest in Mr. application is the recency of his naturalisation.

Having reviewed Mr. []'s Form 57 in light of these factors, we find that there is no immediate opening which would accommodate his employment. We shall be glad to hold his papers for later reconsideration but can offer no positive encouragement as to future prospects for him.

I appreciate your bringing Mr. [] to our attention. If a suitable opening for him should develop, I shall advise you.

Sincerely,
